

Chamber Of Commerce Approves

Christmas Decorations
For Campbell Streets

Business streets in Campbell will be well decorated for Christmas, bands will play, a parade will be held and Santa will ride the new, red fire engine, if plans of the Campbell Chamber of Commerce board of directors made Tuesday evening are realized. Permission from both the Pacific Telephone and Tel. Co. and the Pacific Gas and Electric Company for the use of their joint poles for attaching decorations, has already been granted, according to Sam Cava, president of the organization.

The decorations, which will be a scroll and bell of metal will cost about \$30 each and there will be 68 of them put up, three on the San Jose-Los Gatos road and one on the Campbell corner intersection, and 65 on Campbell avenue from Dillon to Winchester and a few on Winchester. Named by Cava on the Christmas committee were Bob Curry, Cel Gerevas, Verle Grizzle, Dave Ribble, Frank Accardi, Emily McConnell, Dobie Jeffers, Ben Strong, Mario Saia, Robert Seligson, Lester Lafferty and Kelvin Young.

A traffic survey is to be made as to the number of parking spaces available near the bus zone and a recommendation to the city council on the space allotted Peerless stages. The company has agreed to give up one space for a car

parking on the north side, but the Chamber is interested in having the bus stop on one side of the street only so passengers will not be crossing the street against moving traffic. This would force the bus to make left turns around a block, add additional mileage, sometimes bringing two or three buses at a time to the single zone and possibly cause the firm to pass some of their scheduled stops, it was brought out by Lloyd Cole, representing Peerless Stages.

Cava reported eleven new members of the Chamber of Commerce. Mario Saia reported on work being done by the industrial committee, charting available sites. The advantages of new subdivisions proposed for the westerly area was felt by the committee in view of some 350 proposed new homes with restriction leniency to be granted equal to that offered by San Jose, Santa Clara and other cities expanding their boundary lines.

SARATOGA TO SUNNYVALE ROAD
DUE FOR STATE TRAFFIC SURVEY

John F. "Jack" Thompson, State Senator, announces that the Governor's support is timely on the Monterey Road Situation.

Thompson states that he has been working toward the widening of the Monterey Road from Ford Road to San Martin for the past four years but has met with opposition by the Division of Highways because of their intention to build a freeway by-passing Coyote, Madrone, Morgan Hill, San Martin and Gilroy, and turning the present Monterey Road to the County.

In soliciting the Governor's support, Thompson brought out the enormous cost involved in a freeway of this kind which would necessitate a delay of possibly ten years, and it was upon this basis that the Governor will support the item of one million dollars for making the present Monterey Road into a 4-lane divided highway.

Thompson states that in all probability this work will be started July or August of 1955.

Thompson also solicited the Governor's support on Mathilda Avenue in Sunnyvale and intends to push Route 9 from Sunnyvale to Saratoga as the next critical situation in the County.

Rev. Gordon King
Tells Rotarians
Of Church Council

The Reverend Gordon L. King, of the Saratoga Federated Church, discussed "The World Council of Churches at Evanston, Illinois," at the regular Monday luncheon of the Campbell Rotary Club, explaining the origin of the World Council, which is tremendous in size. It meets once every six years.

There were 130,000 persons attending the Council which was held on the campus of Northwestern University, with 54 nations and 179 denominations represented. Switzerland is the headquarters for the Council which stresses faith and order, evangelism, social questions and international relations.

During the lecture, slides were shown of interesting scenes and of interesting people who attended in the colorful dress of their native countries. Several delegates from behind the "Iron Curtain" were observed to be very unhappy men who spoke little and who never smiled.

Chairman for the day was Cliff Cassidy, assisted by Al Smith.

FIRE DESTROYS
CAR AND GARAGE

A fire of unknown origin totally destroyed a car and garage belonging to Mr. and Mrs. Ben F. French at 227 Maple, early Wednesday morning. Fireman Fred Jones answered the call.

Because of a delayed call, the garage was completely enveloped in flames when firemen arrived at the scene at 2:04 a. m. Two trucks and 18 volunteer firemen responded to the call, including Bruce Gammon, who was off duty at the time. An estimate of the damage is being made today.

Firemen were also called to extinguish a small grass fire on Llewellyn Avenue, close to the edge of the Rosemary School grounds, Wednesday at noon. One truck with Bruce Gammon, LeRoy Black and Dick Domain responded to the call.

During a drill last Sunday, firemen toured the Dehydrator to check its "hot spots" and extinguishers.

FORD MAN TELLS GROUP
GET READY FOR GROWTH

That Santa Clara County is getting the biggest, best and newest automotive assembly plant in America was the statement before the Campbell Chamber of Commerce at a luncheon meeting yesterday by Dan McGowan, traffic manager for the Ford Motor plant at Richmond. He said his company has twenty assembly plants already and that the new one going up at Milpitas will handle Fords only.

The Milpitas plant will have no creative work projects but there are 4000 parts which it is to assemble and test for each car. Most of the employees coming will have five years or more plant experience. There are 1600 at the Richmond plant and McGowan said of these 95 per cent will probably move with the plant. The new plant will open March 6, according to schedule and will employ about 1700 then in a year or so have around 2000 on the payroll, about 450 to be employed locally.

The company having outgrown its Richmond plant started looking for a new site with certain features. It called for a rectangular 160-acre site, with good drainage, that could stand weight, served by one or more transcontinental railroads, and have access to a main highway. An important factor was living conditions, environment, climatic and health conditions for employees.

McGowan said the Campbell area will benefit from this industry and advised that the Chamber of Commerce prepare a factual summation of its advantages to industry giving tax rate, water, utilities, highway and rail facilities. He said that when Route 5 freeway goes through and their employees can be here in fifteen minutes or less that we are to feel the importance of the new plant, and we will notice the effect too on our tax bills as the rate base is reduced. The Ford plant will not immediately have the largest payroll in the county, being second to Westinghouse, but because of the Ford potential this may change at an early date.

There are some 6000 allied plants for the automotive industry,

those on the west coast now being located mainly around Los Angeles where, the speaker said, they will probably remain. There will be new ones starting though, and more than likely they will be in this immediate area. He said it was important that our industrial advantages be made known to agencies contacting investors if Campbell is to have their consideration.

Mario Saia, chairman of the industrial committee introduced the speaker and Sam Cava, president of the Chamber of Commerce presided. Cava led off the meeting by relating what the Chamber is doing such as conducting a parking survey on Campbell avenue, correcting the traffic problem on the San Jose-Los Gatos Road, preparing a survey of available industrial sites outside the 400 foot limits of Route 5 freeway and progress toward Christmas lighting and party for the community. Tentative plans for a band concert with two or three semi-classical features are being made.

There were 38 at the meeting, some of whom were from San Jose and Santa Clara. Among those present were Martin S. Walsh, N. W. Schoenberger, Emily McConnell, Corwin Olds, Robert Currie, George Jeffers, Ann Marshman, Del Lucot, Harold Peck, Ralph Lanoie, Les Harmon, Emerson Owen, Ben Strong, Lloyd Cole, Earl Conright, Thomas Ahearn, Ralph Hyde, Robert Stubbs, Milo Lacy, Ted W. Johnson, James Malone, George Parso, G. S. Robson, John Howcroft, Rudy Nelson, Dave Rutherford, Orwin Accardi, Marian Kay, Jeanette Befame, Joaquin Payne, Dave Ribble, Mario Saia, Lester Lafferty, Sam Cava and the speaker, Dan McGowan.

CUHS DADS IN
FIRST MEETING
NEXT WEDNESDAY

The Campbell Union High School "Dads" will have their first program and meeting next Wednesday night in room 84 of the high school. The Club is beginning its second season of secondary school activity. Last year over a hundred fathers attended its periodical meetings and over 500 residents of the area attended its Sports Panorama.

Next week's meeting will be of especial interest to grid fans since the main topic of the evening will be "Football". Community Dads will have an opportunity to meet the Varsity, Junior Varsity, and "B" football coaches, Jim Muir, Mel Stein, Ken Duddridge, and Junior Morgan. There will be a demonstration of various football offenses and defenses with George Miskulin, CUHS director of athletics at the chalkboard. There will be a demonstration of the protective equipment used by the players.

Movies of the recent CUHS-Castlemont game will be shown. Len Meritt, CUHS Dads president invites all fathers of the community to come out to the meeting.

\$6,000 IS RAISED
HERE TOWARDS
SERVICE FUND

Approximately \$6,000 has been raised during the Campbell Area Service Fund Drive which started September 30. The goal is \$19,600 and covers requests from nine receiving agencies which service the Campbell High School area.

These agencies are Girl Scouts, Boy Scouts, Camp Fire Girls, Y. M. C. A., Family Service Association, Visiting Nurse Association, Campbell Library, United Defense Fund and the School Milk Fund.

The Board of Directors will meet Monday night at 8:00 p. m. in room 20 of Campbell High School. Plans will be made to find new means of meeting the goal. According to Mrs. Harry Story, vice chairman of the campaign committee, residents who have been missed by solicitors may mail their contributions to Campbell Area Service Fund, P. O. Box 756, Campbell, California.

'Cambrian Capers'
To Be Staged At
Campbell High

The third annual Cambrian Comedy Capers is to be staged Saturday evening, November 13 in the Campbell High School auditorium. It was announced yesterday by the Cambrian Men's Club, Inc.

Wayne Huff, committee chairman said that Henry Banderob who produced such extravaganzas as "Dog Patch Jangles" for the Scouts in the San Jose Auditorium, as well as "Frolics of 1954" and others has been engaged as master of ceremonies.

Headlining the show will be Anne Leal, Elaine Grizlo, the Radonnas and many other numbers. Emphasis is being placed on comedy and Huff said it looks like we are making great headway.

The production will also include excellent musical talent with Leona Mortenson engaged as musical director. Miss Mortenson was recently assistant director for the show staged at the Santa Clara County Fair.

School children of Cambrian are once again to participate in ticket sales. Proceeds are to be used for activities of the Cambrian Youth Center.

MONROE SCHOOL
TO BE STARTED

The Office of the County Counsel in San Jose has been authorized by the Board of Trustees of the Campbell Union Elementary School to proceed with the sale of \$49,000 in school bonds under approval of the electorate, so that construction of the new Monroe school may get under way at once.

The state has approved allocation of \$362,000 of its funds with which to complete the school because enrollment needs of the area are deemed severe.

Higgins and Root an architectural firm has been retained to complete plans and to start new ones for adding rooms to the Dover, Cypress and Quito schools.

BOARD HAS MEETING

West Valley Hospital District board members met in the town hall at Los Gatos last night with William Mattenberger presiding. Some solution to a problem of locating and financing a new hospital was sought.

LEGION POST
HOME MAY BE
IN CAMBRIAN

Members of the Campbell Post No. 596 of the American Legion are reported today to be considering the establishment of a Legion Post home between Campbell and Cambrian Park in the Cambrian area.

The Post has a substantial fund of money in its building corporation and has been unable to find a suitable place in Campbell for a new building. Since much of its active membership today is from the Cambrian area and a new post home is being seriously considered, the proposal to centralize the location is said to be having the serious consideration of post leaders. To date no site has been selected, officers stated.

Boundaries Changing
CITY SPHERES
OF INFLUENCE
SHOWN ON MAP

Campbell's westerly sphere of influence extends to the Saratoga-Santa Clara Road and along Quito Road according to a map presented for study Thursday night at a meeting of the Intra-City Council, originating with Karl Belser, County Planner. Its lines propose the directions for community expansion under a common agreement of all cities.

The rapid manner of moving boundary lines followed by the various cities since the map was first prepared earlier in the year has already seen some infringements on the proposed limits.

San Jose annexed Moreland No. 1 only two weeks ago and is preparing to annex more of the Moreland school district lands by cutting across Campbell sphere and into Cupertino's, while Campbell limits extend beyond Hamilton and south of Moorpark avenue which the map credits to San Jose. The Cambrian Gardens tract would lie partly in Los Gatos and partly in Campbell sphere.

Harry Whitteman has petitioned the Planning Commission for a permit to establish a commercial development on the southeasterly side of Winchester Road between Buena Vista and Vineland avenues, near the reservoir.

An amendment to the zoning ordinance was before the Santa Clara County Planners yesterday in an application from Felix Bersano seeking a C-1-H district at the southeasterly side of Winchester Road between Buena Vista and Vineland avenues. Both properties are in the westerly part of Campbell.

LITTLE LEAGUE
STADIUM SEEN
FOR ROSEMARY

The Campbell Union School District last week approved a plan submitted by Mervyn Willoughby of the Campbell Rotary Club, for the building of a Little League Stadium on the west end of the Rosemary School site. The stadium is to be ready for next spring and will serve the entire Campbell area.

The construction is a community service project by the Campbell Rotary Club, with assistance being given by the School District and the Rosemary Home and School Club. The Rotary Club is planning to start work Sunday morning.

Carlyle Norment
Is Opening New
Service Station

Grand opening of a new Union Service Station, on the northwest corner of Hamilton and entra Avenues, will be Saturday afternoon and evening with give-aways, free balloons, pop guns and cokes.

Carlyle Norment is the manager of the new station which stocks U. S. Royal tires and tubes, Press-o-lite batteries and all Union Oil Products.

At the present time Norment makes his home in San Jose where his wife Colleen is a teacher at the Franklin School, but he reports they are both diligently searching for a home in Campbell.

Speed Limit Is Cut On
San Jose-Los Gatos Rd.

Sacramento, October 20, 1954—Establishment of a speed limit of 35 miles an hour for one and one-quarter miles on the San Jose-Los Gatos Road (State Sign Route 17) in Campbell, Santa Clara County, was announced today by the State Department of Public Works.

The new zone extends from south of Casey Road to north of Campbell Avenue.

Reduction of the speed limit from 55 miles an hour was recommended by State Highway Engineer G. T. McCoy following an engineering and traffic study by the Division of Highways. Local authorities and the California Highway Patrol concurred in the recommendation. The change will be effective with the posting of signs, probably within a week.

Camden High Building
Under Way Next Week

Work is starting next week on the first unit of the new Camden High School with Darrigo & Powers Construction Company of Stockton as contractors and whose bid of \$1,099,777 was accepted by the Campbell High School board last Thursday evening. This was the lowest of 15 bids submitted, the highest being \$1,217,800.

Laurance J. Hill, superintendent, said the one-story frame and stucco structure will contain 21 classrooms, study hall, library, homeroom, cafeteria, gymnasium and offices. The gymnasium will be reinforced concrete, he added.

Situated at Camden and Union avenues, it will handle an initial enrollment of 700 students and will probably be expanded within three years to accommodate 1,700, Hill reported.

Residents of the district last December approved a \$2,500,000 bond issue for the school. Development of the site and furnishing will add \$137,000 to the contract price, he estimated.

When completed, the new school will ease the crowded condition existing in the present high school. Built for 1,750 students, it has a current enrollment exceeding 2,000, Hill reported.

Dean Chamberlin, principal of the new Camden school said yesterday that ditch digging had already begun for foundations. The bid contract contains a finishing date of August 15 to allow school equipment to start moving in. Anything not completely finished by that date will have to be in such order that classes can be held in it on the opening day of school. The new school will be dedicated when completed, but there will be no ground breaking ceremonies, Chamberlin said.

Scouts Take Part
In Emergency
Feeding Program

Explorer Scouts from Troop 28, Campbell Kiwanis unit, took part in the Red Cross Emergency Feeding program presented last week at Roosevelt Jr. High School.

The Explorers presented emergency cooking equipment and on-provided facilities, contributing interest to the program attended by many people from the entire county.

Those attending included Tim Sullivan, Roger Merrill, Doug Todd and Ken Robison, advisor.

Mr. and Mrs. F. M. JOHNSON with children Carol and Jack, of 70 West Latimer Avenue, and their guests, Mrs. Johnson's sister and husband, Mr. and Mrs. C. CREAMER of Richmond, California, and their friend ARTHUR ROONEY, spent an enjoyable weekend fishing from the Johnson's cruiser on San Pedro Bay. Between them they caught 30 bass, the largest weighing nine pounds.

Mr. and Mrs. GEORGE EJADIAN and son Rodney of Selma, in Fresno County, visited last weekend with Mr. and Mrs. JOE ANELLO of Parr Avenue. George and Joe were in the Armed Forces during World War II and served in North African campaign.

There was good news in the MARIO PECORARO home on E. Rosemary Lane last Sunday evening when Mario returned home from a two day hunting trip after bagging a three point buck and a 200 pound black bear. He was accompanied on the trip to Eldorado county by Jack Flournoy, Joe Hurn and David Rosenthal, all of San Jose. In addition to Mario's trophies, Joe Hurn bagged a bear cub.

The third grade Happy Blue Bird Troop of the Rosemary School made 45 ghost tray favors for the County Hospital at their meeting last Tuesday. The troop of 19 Blue Birds is led by Mrs. Boyd Rappe and her Horizon Club girls.

Mr. and Mrs. L. R. Warning of 331 West Campbell Avenue, are happy over the arrival last Monday of a baby girl named Joyce Louise who weighed 7 pounds 5 ounces. Baby Joyce has a little brother Jimmie who is 21 months old. Her grandparents are Mr. and Mrs. A. Weltz of Union Avenue and Mr. and Mrs. Albert Warning of Campbell Avenue.

Mr. and Mrs. Fred Fellman attended the funeral services held last Friday in Porterville for Mrs. Fellman's brother-in-law, Edgar Kellogg. Mr. and Mrs. Edgar Kellogg have many friends in the Campbell area.

Mrs. Kahrman Honored With Baby Shower

A surprise baby shower honoring Mrs. Henry Kahrman of 78 El Caminito was held recently in the home of the Frank Piersons at 100 Catalpa Lane. Table decor was carried out in mint green and yellow, having as the centerpiece a large cake portraying the symbolic stork hovering over a small house. Novelty storks fashioned of safety pins decorated individual meringues at each table setting. A number of games with prizes furnished entertainment for the guests during the evening.

Attending the shower honoring Mrs. Kahrman were Sybil Hoover, Olive Furchner, Ellie Brown, Sallie Parker, Frances Shockley, Dorothy Pettingill, Doris Seaton, Mary Fournier, Doris Tragardh, Norma Murray, Vivian Langford and Frieda Pierson.

After the installation of all officers, refreshments were served and an evening of dancing followed.

SANTA CLARA NAMES NEW HIGH SCHOOL FOR SUPERINTENDENT

It was a complete surprise to Emil R. Buchser, high school president and superintendent of the Santa Clara Union school district, when the board of trustees voted to name the new high school in his honor.

A letter from the Santa Clara Landmarks commission suggested that the school be named for Buchser.

The second Santa Clara high school is expected to be built within three years and will be located on a 40-acre site between El Camino Real and Homestead north of the proposed Bowers Lane extension.

Wendell Huxtable, high school vice principal, presented the Lara property to the board as the third high school site. Lara property is a 51-acre corner between Bowers Lane and Reed.

Free Flowering Violas For The Winter Gardens

Often the remark is heard that wintertime gardens are so bleak—even here in California. The California Bedding Plant Advisory

VIOLA

Board passes along the word that this condition is self-imposed for winter gardens certainly can be bright and colorful in the Southern part of the state and along the coastal areas as well as in many inland areas. Usually the lack of color is caused by lack of attention to cultural detail and lack of proper appreciation of what can be done with cool weather planting material. With this thought in mind many fine winter-blooming items such as stocks, celendulas, pansy, viola, primrose, nemesis and johnny-jump-up have been suggested and described with the thought of improving the selection of plant material by the home gardener.

Bedding plants are used to give quick color in the garden. Even in the dead of winter this purpose can be fulfilled by using plant material that has been grown by commercial growers such as clumps of blooming pansies or English daisies. However, this is the expensive means of brightening up the garden. Forethought and a little planning along with garden care can be the means of producing good winter color. Using the plants suggested above is the first step to winter color in the garden. These are plants that will adapt to winter color and bloom.

For all winter plantings the flower bed should be slightly raised to insure good drainage. This is a basic procedure. Insect control is also a basic step. Often during the cool weather of winter an infestation will build up and not be noticed. This is one of the fallacies of spraying when you see them. Spraying should be done on a schedule whether there are visible signs of insect damage or not. Fertilizing is usually overdone during the winter; this is one garden procedure that can be almost eliminated. This is especially true if the soil is naturally fertile and has been producing satisfactory plant growth. Often an overdose of salts

Gold Star for Tommy

Teacher—Tommy, can you give me an example of the paradox?
Tommy—Yes, sir. A man walking a mile and only moving two feet.

All Normal

"Your wife has been delirious all day," said the nurse, in a worried tone, "calling for you and crying for money?"
"Hah!" snorted the husband. "Delirious, hell."

The Spirit Cries

"She sang that song in a wonderfully haunting manner."
"Do you think so?"
"Yes, there was just the ghost of a resemblance to the original air."

builds up in the soil during the winter if fertilizer is applied and breaks down during a short time when the weather warms in the spring and causes severe damage.

One of the better winter bloomers is the viola family or to more clearly define it—Viola Cornuta or the tufted viola. These are the solid color violas offered in solid blue, yellow, apricot, white, red and violet as well as in a mixture of solid shades by most good nurseries at this time of the year.

Violas are basically a border plant and adapt well to color schemes because of their uniform coloring. There is some variance, especially in the blues, but basically they present an even stretch of color. Massed plantings of violas tend to bunch a little, but careful trimming will even out the plantings and the plants will recover almost overnight from the treatment.

Violas will benefit from generous applications of steer manure in the soil before planting and also at a top dressing after planting. As this plant stays in an active state of growth during the cold weather, steady but light applications of fertilizer can be applied, especially in liquid form. Manure water would be best of all.

Cambrian Bond Election Aids Three Schools

The Cambrian Board of School trustees reported yesterday that the purpose of the election on November 30 is to increase the tax ceiling 60¢ per \$100 assessed valuation is to maintain and operate on a sound economic and educational basis the present Cambrian School and the Steindorf school which is now under construction and to provide for a third Cambrian school to be constructed soon.

The present tax base of 90¢ would be increased to the \$1.50 limit because the present rate is not enough to support the budget. The cost to the average home owner taxpayer will be \$1 to \$1.50 per month depending on value of property value. The cost varies with veterans who are entitled to certain exemptions.

Irrigated pastures in California have increased from about 225,000 acres in 1940 to approximately 800,000 acres in 1953.

SHERIFF RACE GETS HOTTER

The hotly contested race for sheriff was throwing sparks Tuesday night as candidates Bill Young and Melvin Hawley met at the Hawaiian Gardens and talked about letters bearing on character, war records, qualifications and bosom friends. The meet was sponsored by the Junior Chamber of Commerce.

Young produced a letter showing that Hawley was friendly with incumbent Howard Hornbuckle whom Hawley had previously accused Young of being "clashed to his bosom". Young said Hawley had written to Sheriff Hornbuckle after the primary last June inviting the sheriff to lunch so they might have some "laughs now that the heat of the campaign is over".

Young lowered the paper and said, "What I want to know is who was clustered to whose bosom?"

Hawley then wanted to know how Young got the letter if he was not a buddy.

Whether the sheriff should be an "administrator" or a "cop" was another argument. Young is long experienced in law enforcement while Hawley has been a deputy in the office of the district attorney. Young said, "Which of us will have the leadership of the men? Who can teach gunnery? Who can teach the police school and in-service training? The colonel who won't get in the front line of action does not have the respect of his men."

Hawley contended the office does not have to be run by an experienced cop.

Young has letters of commendation from H. P. Gleason, police chief at Oakland and military leaders. He served as a Major in the 9223rd Technical Service Unit. The Non-Partisan Club of Santa Clara County endorsed Young on May 10, 1954 "by reason of his character, experience and past record".

FROM THE SIDELINES

By L. H. GREGORY

Sports Editor Portland Oregonian
Your "Lucky" Guest Columnist

(EDITOR'S NOTE: This week's "Lucky" Guest Columnist is the dean of Western sports editors, having headed the Portland Oregonian's sports department since 1920. "Greg," as he is known by the legion of sports figures who have come to know him during the past four decades, is partial to baseball. "What Greg doesn't know about baseball isn't worth knowing," say fellow sports writers. Like many of his daily columns in the Oregonian, this one presents Greg as an expert student of his favorite sport.)

What's the essential difference between baseball pitchers, other than that one may be faster than another, or have more on a curve, or mastery of some "special" pitch like the knuckleball or screwball, and their varying degrees of control? Much more than you'd think. The difference lies in the strategies of pitching, which can go pretty deep.

For instance, a recent item told how Cleveland's great staff went through the American league season to a new record of 111 victories, averaging about 120 pitches per game. Bob Lemon, it added, works about 110 pitches. Bobby Feller can sometimes get through on 100.

This item told more than it seemed to. For one thing that the Cleveland pitchers are strong-armed fellows who depend much more on "stuff" and overwhelming batters than on "spot" pitching designed to make him hit some certain ball. There's nothing at all the matter with this as long as a staff remains strong-armed and able to overwhelm its opposition. But whence some of the extra "stuff" goes, a great deal of readjustment may be required.

One hundred twenty pitches seems to us quite high. We have known many pitchers who rarely threw that often, let alone averaging it. Outstanding among them was Jack Salveson, who pitched for many Pacific Coast clubs, always until the last with consistent success. He was a control master. His theory was, "on or out" on three pitches.

"Whether you are driving to the Stadium to watch your favorite football team or to a mountain stream for a little weekend fly-casting, don't be a litter bug. Litter thrown by motorists on highway shoulders, recreation area and beaches is costly and unnecessary," says Eugene S. Salvage, president of the Lucky Lager Brewing Co. "Help KEEP AMERICA BEAUTIFUL."

Tommy Bridges, finest all-around pitching master we ever saw in action, after twice missing in the majors with two out in the ninth, finally got a no-run no-hitter for Portland over San Francisco in 1947. He pitched just 92 times in the nine innings. He missed a "perfect game" (no one gets on base) only by one walk, which immediately was wiped out by a double play. For the game he faced 27 batters.

Tommy, even so, was a great hand to "waste" a pitch, or even two or three, to "set up" his man just right for some certain ball. But he never "wasted" them just to be throwing. Every pitch had a definite purpose.

In most cases these "few pitch" masters are older heads who have learned the pitching secret of "make them hit the ball—but be sure it's the ball you want hit." For that reason it was remarkable indeed for Waibel at only 23 to have picked up the knack. Especially as earlier in the year Waibel had trouble "pacing" himself to last out the distance. He was throwing too hard and too often early in the game.

Most young pitchers "fire" the ball, depending on its "stuff" to make it effective. John Antonelli, brilliant young left-hander of the New York Giants, who at 24 won 21 National league games and another in the World's Series, besides saving one, works that way.

Antonelli hasn't yet become saving of his pitches and strength, unlike his veteran curve ball pitching teammate, Sal Maglie. Maglie is an under-100-pitches worker on his most effective days, where Antonelli makes from 130 pitches up. But being evidently a thoughtful and smart young fellow, watch the number of Antonelli's pitches drop as he progresses up the baseball ladder.

It will come to him one of these days how much easier pitching is, and how much longer he will last, when he lets the eight men behind him do most of the work of getting the outs. It still rather amazes us, though, that Cleveland's entire staff of veterans should require on the average 120 pitches a game.

San Tomas PTA Has News Sheet

"An alert, alive P. T. A. or other Parent Club is one of the prime requisites of a good school," said Dr. William R. Rogers, professor of Education at San Jose State College, in a talk Tuesday before the San Tomas P. T. A. in the school cafeteria. Answering the subject of his speech "What Is A Good School?" Dr. Rogers further stated that a good school sends children forth with ideas, has pride in itself as an institution and provides a firm foundation in the three R's. The speaker was introduced by Mrs. Ted Balgooyen, parent education chairman.

Third graders of Katherine Mattson's class demonstrated a group conceived study of bacteria and closed their part of the entertainment with a Halloween song.

The meeting was opened with a pledge of allegiance to the Flag, led by three members of Scout Troop 30. Scout Douglas Wilson read President Eisenhower's statement on signing the bill which added "under God" to the Pledge. The inspirational prayer was given by Mrs. John Ward. Mrs. Chris Miller, president, conducted the meeting.

The San Tomas P. T. A. News, a recently innovated monthly news sheet was distributed to those attending the meeting. Mrs. Chester Eades, treasurer, presented her report and a proposed budget for the year which was adopted by unanimous vote. Mr. Ted Balgooyen spoke on progress of the San Tomas football team and announced "Football Field Day" will be held Sunday, October 24, when parents are invited to assemble at the school at 12:30 p. m. to clear the athletic field.

Mrs. Ted Balgooyen displayed and explained Parent Education Library. Mrs. Steven Anderson, 2nd vice president, announced the membership drive will close October 29, with parties being given as prizes to the two classes having the largest percentage of parent membership.

Jack Fischer introduced members of the faculty and staff. Mrs. Chris Miller introduced the executive board and invited the members to attend board meetings. The next meeting to be held at the Almarida Drive home of Mrs. R. B. Ingham at 7:00 p. m., after which members will attend the El Paraiso Council meeting.

The blue and gold pennant for attendance was won by Mrs. Katherine Mattson's third grade. Refreshments were served by the sixth grade mothers.

Next general meeting will be held November 16 at 7:45 p. m. in the cafeteria. Topic of the program will be "Educational TV."

NAMED CHAIRMAN

Mrs. Genevieve Helmbold, 535 S. Union Ave., Campbell, has accepted chairmanship for Cambrian School District area of a committee seeking approval of Proposition 2, to provide \$100,000,000 state bond money for school construction. Roger Williams, county steering committee chairman, announced.

NETOPS VISIT VET HOSPITAL

Several members of Netops Council No. 247 Degree of Pochontas, and their guests participated in a party for a ward of patients at the Palo Alto Veterans' Hospital last Saturday evening. The council in conjunction with other groups on the district, takes part in periodic affairs at the hospital. Veterans' Welfare is one of the more important programs of the order. Those attending the party were: The Mesdames Albert Miranda, John Morris, Luther Enyard, Bernadette Hunt, Lewis Haller, George Reynolds, C. A. Cole, Ray Gilpatrick, Eugene Hodges, and their guests Miss Maxine Smith, and the Mesdames J. B. Black, Edna Black, Lee Morris, J. P. Martindale.

First Great Trustee Inez Means will be guest of honor as the Representative of the Great Pochontas as the next regular meeting of the council Friday, Oct. 22. The initiatory staff will confer the degree on a class of candidates.

Republicans To Rally At Meet Here On Monday

The liquor control set-up as proposed in the proposition before the electorate on November second will be the topic of Assemblyman Caspar Weinberger of San Francisco in a dinner meeting next Monday evening at the Campbell Grammar School cafeteria. The affair is sponsored by the Campbell Republican Assembly and the Campbell Council of Republican Women.

Stuart McClure, candidate for State Board of Equalization post will also be present as will Congressman Charles Gubser, Senator Jack Thompson, Assemblyman Bruce Allen, Assemblyman Clark Bradley and State Controller Robert Kirkwood.

Preparations are being made to accommodate some 200 people at the dinner, according to Major H. E. Lillingston. Dave Sanders is to be the chef. Reservations for the dinner party may be made by contacting Major Lillingston or Mrs. H. F. Whistler.

IN CAMPBELL'S KITCHENS

This week, from the files of Mrs. Norman Scott of 860 Winchester Road, we have a good substantial Goulash and a Brownie cookie recipe that will make a hit in any lunch box.

GOULASH

1 lb. beef or pork, cubed
2 large onions
1 green pepper
1 can mushrooms
1 can peas
1 can tomatoes or tomato soup
½ pkg. spaghetti
½ stalk celery
Saute onion, pepper, mushrooms. Add cubed meat and brown. Add cooked spaghetti and other ingredients. Simmer for one hour. Serves 6 to 8.

BROWNIE COOKIES

1 cup brown sugar
1 egg
½ cup butter melted with
2 squares chocolate
½ teaspoon soda dissolved in
½ cup sour milk
½ cup pastry flour
Mix well, drop from spoon. Bake in moderate oven at 350 degrees. These cookies should be iced while warm with powdered sugar icing to obtain a high glaze.

Auxiliary Will Have Pot Luck

A potluck dinner for Legion families will be given by the American Legion Auxiliary, Unit 596, in the I. O. O. F. Hall on October 27, at 6:30 p. m. Mrs. Leslie Fairchild is chairman.

Willis Dahl and his group of singers and instrumentalists will entertain with a musical program. These young people are all Campbell High School students and have been heard regularly on radio station KEN for the past several months.

HOLLIS LOGUE IS SPEAKER AT WOMEN'S CLUB

Hollis Logue, Jr., chairman of Campbell Planning Commission, and a well known architect, spoke on "Architecture" at the regular session of the Campbell Country Woman's Club last Monday.

In the absence of Mrs. J. M. Dahl, Mrs. Milton Robertson acted as chairman of the day. She was assisted by Mesdames G. F. Finkle, Willis Willoughby, William W. Johnson, F. B. Bishop and Florence Cottle.

Next meeting of the club, November 1st, will be Guest Day, and an interesting program is planned. Mrs. Thomas Egan, an accomplished and popular pianist, will offer musical entertainment, and Mrs. Byron Moore, of Santa Clara, will give a book review on "Lady and the Lumber Jack", by Olive Barber.

Chairman Mrs. J. B. Leszar, will be assisted by Mesdames Ricardo Villafuerte, D. B. Presser, Sherman A. Lombard, Frank Blair, Frank Hinricks, H. E. Hansen and Effie McCall.

HARVEST CARD PARTY PLANNED

Plans for the Harvest Card Party, to be held October 28, at 8:00 p. m. in the I. O. O. F. Hall will be completed Friday afternoon when members of Star Circle, service organization of Campbell Chapter O. E. S., meet at the home of Mrs. George Hatlen of 279 Dallas Drive.

Mrs. Claude Barham, chairman of the fancy work, urges all members to bring their completed articles to this meeting.

LEGAL NOTICE

RESOLUTION NO. 149

BEING A RESOLUTION AND NOTICE OF INTENTION TO ANNEX CERTAIN UNINHABITED TERRITORY CONTIGUOUS TO CITY OF CAMPBELL, COMMONLY KNOWN AS THE LANDS OF PERLEY B. PAYNE JR., DIANA H. PAYNE AND STEPHEN E. BARONI, ET AL. AND DESIGNATED AS CAMPBELL ANNEXATION 1954-4, AND FIXING THE TIME AND PLACE OF HEARING, PURSUANT TO PROVISIONS OF ANNEXATION OF UNINHABITED TERRITORY ACT OF 1939.

WHEREAS, the City Council of City of Campbell has received a written petition from the owners of not less than one-fourth (1/4) of the area and of the assessed value of certain contiguous uninhabited territory, according to the last preceding equalized assessment roll of the County of Santa Clara, State of California, in which such territory is situate; and

WHEREAS, said petition requests the annexation of said uninhabited territory as defined in the Government Code of California; to the City of Campbell, a municipal corporation; and

WHEREAS, said petition contains a description of the said uninhabited territory sought to be included in such municipal corporation; and

WHEREAS, the proposal for the annexation of said uninhabited territory to the City of Campbell has been submitted to the Boundary Commission of the County of Santa Clara, State of California, and that the boundaries thereof have been approved and certified as to their correctness by said Boundary Commission, and twenty (20) days have elapsed since the date of said boundaries were submitted to the said Commission; and

WHEREAS, the City Council finds and determines that it is for the best interest and general welfare of the people of the City of Campbell that said property referred to and hereinafter particularly described, be annexed to the City of Campbell; and that its annexation will render the boundaries of said city more symmetrical; that it will increase the economic and material growth of said city; and

WHEREAS, the City Council desires to designate said annexation as CAMPBELL ANNEXATION 1954-4 as the appropriate name by which said annexation shall hereafter be referred; and

WHEREAS, the City Council desires to annex the said territory to the City of Campbell, California; and

WHEREAS, there has been compliance with all other statutory requirements provided by the "Annexation of Uninhabited Territory Act of 1939";

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF City of Campbell that it is its intention to annex to said City pursuant to the provisions of the Annexation of Uninhabited Territory Act of 1939, the territory, commonly known and designated as the lands of Perley B. Payne Jr., Diana H. Payne and Stephen E. Baroni, designated herein as Campbell Annexation 1954-4, the boundaries of which are more particularly described as follows:

All of that real property situate in the County of Santa Clara, State of California and being more particularly described as follows:

Beginning at a point on the centerline of Virginia Avenue, said point being at the intersection of said centerline with the present City Limits of the City of Campbell, California; thence from said point of beginning South 14° 30' West 603.45 feet along said centerline to its intersection with the centerline of Rincon Avenue; thence along the centerline of Rincon Avenue South 89° 17' West 896.34 feet to the Southwesterly corner of that certain 10 acre tract conveyed by Mrs. M. H. Robertson, et al. to H. S. Burlingame and J. A. Nelson by Deed dated September 14, 1892, and recorder in Book 154 of Deeds, at page 540, Santa Clara County Official Records; thence along the Westerly line of said 10 acre tract North 0° 43' West 582.48 feet to the City Limit line of the City of Campbell; thence along said City Limit line North 89° 17' East 1055.24 feet to the centerline of Virginia Avenue and the point of beginning, containing 13.05 acres, and being a portion of the Harron and Clayton Subdivision in the Quito Rancho.

BE IT FURTHER RESOLVED, AND NOTICE IS HEREBY GIVEN, that Monday, the 22nd day of November, 1954 at 8 o'clock P. Senator Thompson Endorses Prop. 2

State Senator John F. "Jack" Thompson today urged voters to support Proposition One on the November 2 ballot "because it will not raise State taxes".

Thompson pointed out that the measure would authorize \$175,000,000 in self-liquidating bonds to continue State farm and home financing for California veterans.

"These bonds don't cost the taxpayers a cent," said Thompson. "They merely allow the State to extend credit to our California veterans who want to finance decent homes for themselves and their families. The veterans themselves pay off the bonds."

California has approved eight veterans' bond issues in the past 32 years.

"This nontax-supported farm and home purchase has earned a national reputation by helping nearly 80,000 veterans of World War I, World War II and the Korean War to purchase properties on long-term low-interest contracts. The interest rate today is only three per cent," the State Senator reported.

BUCS FACE FREMONT INDIANS IN CRUCIAL GAME TOMORROW

By Bob Olson

The Campbell Bucs face the Fremont Indians tomorrow night at Sunnyvale in what many consider the crucial game of the high school conference. Both teams are undefeated so far.

Fremont and Campbell have been co-champions for the last two seasons. In 1952 at Sunnyvale the game ended 7-7 and in season play each won four, lost one and tied one. Last year in a game at Campbell the score was 13-13, and again they were co-champions. The game tomorrow night is expected to be a battle of strong defenses, with Campbell likely to break through with some fast running.

Last Friday the Bucs defeated Mountain View 8-0 on the Eagle field. Dick Kolte at end and Gary Lukehart, tackle caught halfback Ralph Alvarado in the end zone in the first quarter to stop an

Eagle threat. After that Campbell intercepted every critical pass.

Douglas Harrison, rookie halfback dashed 50 yards around end in the most sensational play of the game. Rich Calloway is showing remarkable improvement and seems able to pick up three or four yards whenever really needed. End Tony Schraub and Dick Kolte made the Buc passing a real threat all evening.

Fremont, was meanwhile looking more powerful than ever in a non-league tilt at Menlo Park. The Indians took an early twenty point lead away from the Menlo School for Boys and coasted in to their third straight victory of the season, 20-8. Fremont fullback Steve Lynch has proven to be a fleet breakaway runner in every Indian contest; against Menlo he got away once for forty yards and a quick TD. Fremont has the strongest line in the SCVAL, and in Charlie Maraldo they have an all-conference linebacker, especially adept at pass interceptions.

Campbell on Friday afternoon, November 5th, plays Lick here, and on Friday night, November

12th, plays Santa Clara. These two grid teams met last Friday night on Townsend Field. We went over to scout the Panthers and were surprised to find the Comets just as formidable. To prove it, the game ended in a stirring 14-14 deadlock. Lick battled back to a tie after giving away two touchdowns in the first half. The Panthers touchdown twins, Clarence Nunes and Fred Blanco, were responsible for both Panther touchdowns, mostly on running plays. The Comets, on the other hand exhibited a great passing duo with QB Harold Nakaj's smooth 25 yard toss to end John Ventry, who carried the ball fifty more yards. The whole second half on Townsend Field was completely scoreless. Campbell will have its hands full with both elevens.

In tomorrow night's other two SCVAL contests, Santa Clara should take a green Mt. View team with ease. The eagles have no offensive power, whatsoever, whereas the Panthers are able to give even good teams a rough evening. Lick should also romp against Washington High at Centerville.

ROOTERS BUSY AS CAMPBELL SHOWS CLASS

Because Campbell High School has teams of Championship calibre who play a clean game, a strong rooting section was developing today which is expected to be the most enthusiastic in the conference.

On the high school football field last Friday morning the student body and faculty moved out to the West Football Bleachers and surrounding field to participate in the first rally of the season.

The school band under Dick Gordon played "The Campbell Fight Song" and two other numbers to set the tempo. Yvonne Flaminio, Mary Begalke, and Lois Fairbanks, the three Varsity Cheerleaders, led over 2,000 students in three rousing cheers. Coach Jim Muir introduced his line coach, Mel Stein, and assistant coaches Ken Duddridge and Junior Morgan—who, in turn introduced the 47 members of this year's Varsity Football Squad. Four full teams ran through offensive and defensive formations so that now everyone in school has a better idea of the "T" formation and the varied defensive maneuvers.

Pom pom girls ran through their colorful routine using new fireproof pom poms. Song Girls Marceline Dale, Sheila Graves, Nancy McElvogue, Percilla Lujan, Sandy Wells, and Carol Schapansky strutted before the student body with batons and yell cards.

Tomorrow night the school will run two busses to the game with Fremont. It is expected that over 1,000 Campbell fans will attend the game there.

Mr. Klassen is more enthusiastic than ever about school spirit. After the rally Friday he said, "Yvonne and the other girls are doing a grand job. We have had nothing but complete cooperation from every student and faculty member so far contacted."

Buc 30's Battle To 0-0 Tie At Mt. View

The Campbell 30 footballers battled to a 0-0 tie last Friday against Mt. View in their first league outing of the season. What was expected to be an easy victory for the Bucs turned into a rugged defensive battle for both teams. Campbell was hampered through out the contest by pass interception on the part of the Eagles. Al Peterson sparked in the very first play of the game by rambling for a long 18 yard gain.

The Buc 30's will battle the Fremont Indians tomorrow night on the Indian gridiron with game time scheduled for 6:00 P. M. Coach Junior Morgan's visiting 30's will be out to avenge last year's 18 to 6 loss at the hands of the Indians.

Campbell High Speakers, Debators Go To Modesto

Members of the Speech and Debate Club face a full schedule of contests this fall. Fremont High School, Modesto, Stanford University and Oakland High will host the Campbell orators in the opening week. On Wednesday, October 20, three teams of Campbell Debators will grapple with Fremont over the subject; Resolved: the United States shall adopt a Policy of Free Trade.

In Modesto on November 13, debaters and actors from high schools will compete for Bay Area and Valley honors in a regional tournament. The Campbell team still has openings for speakers in Oratorical Interpretation, three minute readings from speeches of famous men, extemporaneous speaking, Dramatic Interpretation and three to five minute play readings with the reader taking two or more parts. Tryouts are now being held in Room 39 from 2:35 to 5:00.

NOTICE TO BIDDERS

Laurance Hill Says Allen Bill Aids Schools

Campbell school-children would be on half-day sessions next year if it were not for Assemblyman Bruce Allen's work in the legislature and his bill AB1, Campbell school superintendent, Laurance Hill, said today in a statement to this paper.

The bill is designed to protect school districts from infringement from annexations, Hill explained, and also it allows us to plan for future community growth.

"Before we had AB1, a school district might buy a site for a new school without knowing what school district it would be in. Citizens might have to pay for the financing of the school when its use could be taken away from them by annexation, which is certainly not fair to the tax-payers."

Hill added, "Also the bill has allowed us to make good attendance areas for schools, since boundary lines of school districts can now be adjusted according to population concentration."

"We would never have had AB1 without Allen's help and knowledge of the legislature," Hill commented.

The bill, enacted for a 2-year period, comes up for renewal at the January legislative session, and Allen plans to introduce a bill at that time to make it permanent.

CAMPBELL MAN AT TAX CONFERENCE

Bernard Barrett, business consultant of 661 Emory Avenue has registered for the seventh annual institute on Federal Taxation now being held at the University of Southern California school of Law. The three day session is to be devoted to recent revisions in the internal revenue code with 25 speakers on the program.

JOHN LUND, 83, DIES; EARLY DAY PIONEER

John Lund, 83 year old former
rancher and orchardist who once
owned considerable property in
Campbell, died Wednesday in a
San Rafael rest home after a long
illness.

Lund, a native of Denmark,
came to the United States as a
boy, settled in Sacramento, later
moving to Los Gatos where he
lived for twenty years before mov-
ing to Campbell in 1920.

Here, he bought the land where
the Campbell Grammar School now
stands and also owned and ran the
Chevron Service Station at Camp-
bell and Winchester Road.

Ten years ago, Lund retired and
moved to San Jose, and then three
years ago, with just he and his
wife left at home, the Lunds moved
to Alderside, a Danish rest home in
San Rafael. He is survived by his
widow, Elsie; his daughter, Mrs.
Carolyn Hedegard of Modesto, and
two grandchildren, Peter L. and
Gretchen Ann Hedegard, of Mo-
desto.

Funeral services will be held at
10:30 a. m. Saturday at Ruther-
ford Funeral Home, Campbell, with
interment in Los Gatos Cemetery.
Charity Lodge F&AM of Campbell
will be in charge. He was a mem-
ber of Live Oak F&AM Lodge,
Oakland, and Dania Lodge 17 of
San Jose.

man and Don Righetti, publicity
director.

Sessions will be held Saturday in
the new \$1,000,000 Speech and
Drama Building and in the new en-
gineering Building on the San Jose
State College campus. Convention
topics will include national con-
vention site, chapter financing,
membership and pledging, and
service projects.

Dr. John T. Wahliquist, college
president, will give the welcoming
address at the opening assembly.
Sidney B. North, national Alpha
Phi Omega secretary, will give the
major speech of the conference
Saturday night on "Men of Dis-
tinction."

CHRISTIAN SCIENCE

The fact that purification of
thought and action removes the ob-
stacles to individual growth, pro-
gress, and salvation, will be em-
phasized at Christian Science ser-
vices this Sunday.

Keynoting the Lesson-Sermon
entitled "Probation After Death"
is the Golden Text from James
(1:12): "Blessed is the man that
endureth temptation: for when he
is tried, he shall receive the crown
of life, which the Lord promised to
them that love him."

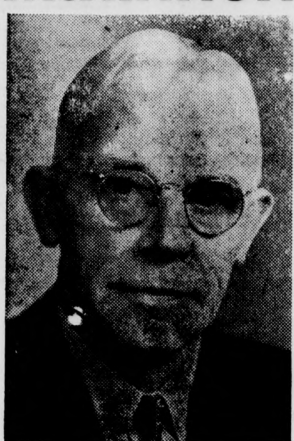

Among the passages to be read
from "Science and Health with
Key to the Scriptures" by Mary
Baker Eddy will be the following:
(492:7-12):

"Being is holiness, harmony, im-
mortality. It is already proved that
a knowledge of this, even in small
degree, will uplift the physical and
moral standard of mortals, will in-
crease longevity, will purify and
elevate character. Thus progress
will finally destroy all error, and
bring immortality to light."

From the Bible the following se-
lections will be read (Philippians
3:13, 14):

"Brethren, I count not myself to
have apprehended; but this one
thing I do, forgetting those things
which are behind, and reaching
forth unto those things which are
before, I press toward the mark
for the prize of the high calling of
God in Christ Jesus."

FRIENDS MEET HERE AGAIN AFTER 35 YEARS

Mrs. Fred Fellman of 74 E.
Hamilton Avenue had as her guest
last Tuesday, Mrs. H. W. Hilde-
brandt of Spokane, Washington.
The two friends, who haven't seen
each other for five years, spent
many happy hours reminiscing
over the years they lived as neigh-
bors in Northfield, Minnesota. Mrs.
Hildebrandt is visiting her son, the
Reverend Leonard Hildebrandt of
San Jose Congregational Church.

GIRL SCOUTS AID IN FUND DRIVE

Dressed in uniforms, Girl Scout Troop 125 of Campbell participated in an unique project when they acted as volunteer solicitors in the recent Campbell Community Service Fund drive and accompanied their mothers and other adult solicitors on their rounds. The project was highly successful, and the girls received valuable experience in community service.

Mrs. Paul Roberts is leader of the troop which is now making plans for many activities during the fall season. The first of these will be a Halloween party for the girls and their families. The Mothers' Club of the troop recently met at the home of Mrs. Charles Simmons to help plan the girls' fall program with the leaders.

The girls of this troop were among the first Girl Scouts in the county to participate in the summer camping program at Camp Skylark, the new camp for Santa Clara Valley Girl Scouts, near Davenport. In addition to this, ten girls attended Camp Big Sur for ten days in August.

Educators Will Visit San Jose

Educators from all parts of California will be in San Jose from Nov. 6 to 10 to attend meetings of the California School Supervisors Association and the California Association of Supervisors of Child Welfare and Attendance. The 1954 Conference on the Direction and Improvement of Instruction and on Child Welfare, sponsored by the State Department of Education, will also be held in San Jose at the same time.

Opening session for the two organizations will be held at 8 p. m. Sunday, Nov. 7, in the Morris Dailey Auditorium on the San Jose State College campus. Speakers will be Dr. Roy E. Simpson, state superintendent of public instruction, and Dr. Paul R. Hanna, professor of education at Stanford University.

About 1200 members of the two organizations are expected to attend the San Jose meetings.

RALPH DePALMA, FAMED RACER, IS SPEAKER HERE

Ralph DePalma, auto Hall of Fame racing figure, addressed the students at Campbell Union High School, Monday morning.

DePalma, now a representative for General Petroleum Corporation in the campaign for greater safety, highlighted his talk with track experiences from his 27-year career as an auto race driver.

DePalma has held nearly every speed title in America. He won the Indianapolis "500" classic in 1915, the AAA national championship twice, the Canadian championship in 1929, and the national dirt-track crown four times. In 2,889 races in which he competed, DePalma won 2,557. He still holds the record for having led the greatest number of laps at the Indianapolis Memorial Day race. His mark of 613 laps has never been equaled.

DePalma's interest in safety resulted in his work on the development of the modern four-wheel brake, and in the use of stock motor oil in high-speed engines.

DePalma spoke at Campbell High School in the language of the young people of today with advice about safe driving. He said that many of the safety features in cars of today came as the result of Indianapolis' speedway trials. The modern car has powerful brakes, safety glass in large windows, safe fuel lines and electrical systems, but he contended, "the best automatic mechanic in the country can't do much about the nut behind the wheel."

FIREMEN JOBS OPEN

Applications are being received for the position of fireman in the Central Fire Protection District, Santa Clara County, 528 Tully Road. Salary range is from \$300 to \$345, age limit from 21-34 inclusive, one year residence in the county and high school education required.

CAMPBELL, FREMONT SPLIT DOUBLE BILL

Campbell and Fremont broke even Thursday in a Santa Clara Valley Athletic League lightweight basketball twin bill in the Fremont gym.

Sam Kitajima tallied 8 points to lead his Campbell 120s to an easy 29-13 conquest of the Indians while Bud Bowling found the range for 18 points in sparking the Fremont Papooses to a 33-22 win over the Campbell 110s.

Mrs. Fred James Claimed By Death

Mary Alice James, age 71, wife of Fred James of 181 Casey Road, died in a hospital, October 18, 1954, after a brief illness.

Mrs. James was born in England, coming to the United States at the age of six, and had been a resident of California ever since and a member of the Congregational Church for many years.

She was the mother of Robert James, of Campbell; and Mrs. Evelyn D. James Koenig, of Palo Alto. Sister of Edwin Gregory, of Caruthers, California; Arthur Gregory, of Campbell; Norman Gregory, of Canada; Lillian Bailey, of Los Angeles; and Anna Fulton, of Chino, California. She leaves seven grandchildren.

Funeral services will be held in the Darling, Fischer and Krug Memorial Chapel, Friday, October 22, at 2:00 p. m. Interment will be in Santa Clara City Cemetery. Reverend Corwin Olds of Campbell Congregational Church will officiate.

In lieu of flowers, friends may make a contribution to the Campbell Congregational Church Building Fund.

BPWC Gaiety For Hallowe'en

A costume party and evening of gaiety is promised all members of the Business and Professional Women's Club who attend the annual Halloween Party to be held in the home of Mrs. J. C. Harrison at 234 Central Avenue, October 27th at 8:00 p. m.

There are loads of prizes to be won and games to be played, so members are advised to drag out the old broom and have an evening of fun.

Chairman of the party is Mrs. J. C. Harrison with Lorene Perry and Sherm Lindsey as co-chairmen.

MARCH OF DIMES QUOTA IS PASSED

That Santa Clara County has exceeded its quota for the first Emergency March of Dimes campaign was the statement today of A. P. Hamann, general chairman who said the figure now is over \$106,000 as compared with a \$90,000 quota. Said Hamann:

"It is a tribute to the hundreds of volunteer workers and thousands of contributors who joined in our continuing fight against the dread polio."

Palo Alto contributed \$20,387.85 against a \$10,000 quota while San Jose raised \$48,047.76 against a \$35,000 quota. Other cities contributing and chairmen included: Campbell, \$3,080.85, Mrs. Robert Jasmine; Cupertino, \$2,048.90, Mrs. Leo Bianchi; Gilroy, \$3,542.88, George Kane; Los Altos, \$7,697, Ray Jensen; Los Gatos, \$6,164, Admiral C. W. Stryker; Santa Clara \$3,517, Mrs. Leonard Handzlik; Saratoga, \$2,214, C. T. Hunter; Sunnyvale, \$4,789, Thomas Ryan.

POLICE SEEK SEX OFFENDER

An intensive search is under way for the sex deviate who allegedly has molested two small girls in the Cambrian area.

Description, as released by the Sheriff's office is that he is a man of heavy build with long brown hair, age 30 to 35 years, and wearing workman's clothes. He reportedly was driving a late model Ford, greenish blue in color, and possibly with white sidewall tires.

Police Chief Robert Locke of Campbell stated that schools here were being watched very closely and if anyone or any parent should see a car containing only a man circling the schools, or parked near them often, to take the license number of the car and call the police immediately.

Big Santa Clara Shopping Center Plans Announced

SANTA CLARA — Tentative plans for a million dollar shopping center on El Camino Real near the Briarwood housing development were announced Wednesday by Paul Bogdanich, president of Bogdanich Construction Company.

Bogdanich said his firm has architectural plans for the shopping center which would be complete with a score of businesses and huge parking area.

The new investment, added to the Briarwood homes, Bogdanich is building, will make a total project amounting to more than seven and a quarter million dollars.

The proposed shopping center will cover an area of 10.66 acres between El Camino Real and San Francisco Ave., just south of Lawrence Station Road.

All necessary zoning requirements have been met, Bogdanich said, and preliminary talks are under way with tenants of some of the store units. It is the intention of the builder to start construction in the spring.

According to plans for the center drawn by Mogens Mogenson of Redwood City, the shopping center will be an attractive new business district for Santa Clara.

The business firms, including a department store and medical center, will be located off the highway with parking areas both in front and at the rear of the center. A landscaped mall will divide the store spaces.

The proposed buildings will contain 108,000 square feet of space which may be changed to suit the needs of the tenants.

Included in the center plans are space for a supermarket, 5 and 10-cent store, shops for sale of clothing, hardware, furniture, bakery, ice cream, liquor, delicatessen, shoes and other items. Space also is allotted for a restaurant and drug store.

CAMPBELL LIONS TO SELL LIGHTS TO AID PROJECT

The Campbell Lions Club is launching an electric light selling campaign on Monday November 1 with a committee of which Glenn DuBois has been named chairman. Proceeds from the campaign will be used to further the club's activities in sight conservation and aid to the blind.

NAVY MAN HOME FROM OVERSEAS

After four years in the Navy, Danford Perusina, F. P. 3 received his discharge on October 7th and returned to his home on Kirk Avenue, Los Gatos.

While in the service Perusina was stationed on the U. S. S. McCoy-Reynolds and saw duty in Korea, Japan, Siam, Hong-Kong and the Philippines. Honolulu was his home base.

Perusina is the father of two boys, Mark and Danford. His wife is the former Arlene Fellman, daughter of Mr. and Mrs. Fred Fellman of Campbell. Two of the four years Arlene spent in Honolulu with her husband. The M. M. Perusinas of Los Gatos are Danford's parents.

After getting accustomed to civilian life Perusina will enter the ranching business near Los Gatos.

Cambrian Board Favors Prop. 2 On State Ballot

Members of the Cambrian School Board of Trustees, Monte Estabrook, Jack Farnham and Garland Bachman have approved a resolution endorsing proposition 2 on the state ballot to be voted November second. The resolution anticipates an increase of a million pupils in the state by 1960 over the registration today, requiring 28,500 new classrooms to be constructed in communities reaching their legal borrowing capacities and which can not finance without state help. The proposition would provide \$100,000,000 in state bonds for loans and grants for such programs.

SWIM CLASSES WILL RESUME

Adult Swimming classes at Campbell High School will resume, starting next Tuesday, October 26, from 7:30 to 9:00 p. m., L. M. Scroggins, swimming coach announces. He also states the pool will be heated.

There will be classes for both men and women, beginning and advanced students. Students must furnish their own suits and towels, and women must wear bathing caps.
